Dear Sir:

In further response to the Notice of 11/29/2007, a response having been filed on 1/24/2008 within the two month time limit (but at that time the nature of the deficiency was not stated in the Office Action, but was clarified with Mr. Fletcher on the telephone on 2/14/2008) please enter the substitute drawings herewith – where we have deleted Figs. 3c and 3d on page 4, but retained Figs. 3d and 3d on page 5, as only the Figs. 3d and 3d on page 5 are described in the specification. Figs. 3c and 3d on page 4 should never have been included with the application.

Respectfully Submitted,
